

Montego Bay 25.5-in. Counter Stool - Set of 2

- Eco-friendly hardwood materials
- Comfortable fabric seat cushions
- 5-step process produces durable finish
- Contemporary style and back design
- 19.25W x 23D x 42.25H inches

Not just a beautiful addition to your dining room, the **Montego Bay 25.5-in. Counter Stool - Set of 2** is also an eco-friendly alternative. These dining chairs are made from solid rubberwood, a hardwood tree cut down at the end of its latex-producing life cycle and replaced with new seedlings. They are finished using a five-step process that results in a durable finish that will last for years. Use them on their own or add them to your dining set.

Shaker 7-Piece Pub Table Set

- Solid, eco-friendly hardwood construction
- Comfortable fabric seat cushions
- 5-step finish process
- Solid top; traditional slat-back chair design
- Table measures 60L x 36W x 36H inches
- Counter stools measure 19.25W x 23D x 42.25H inches

A combination of traditional design and solid hardwood construction make the **Shaker 7-Piece Pub Table Set** a beautiful, quality choice for your dining room. The set is made from rubberwood, a hardwood harvested from trees that have been cut down at the end of their latex-producing life cycle and replaced by new seedlings. The five-step finish process ensures a durable, long-lasting finish, and fabric seat cushions ensure comfort for you and your dinner guests.

Modern Black and Brushed Chrome Plant Stand

- Sleek, modern curved design
- Metal posts have brushed chrome finish
- Break-resistant tempered-glass top
- Glass top has wide beveled edge
- Stand measures 19L x 12W x 21.5H inches

Your plants will soak up the sun in style on the **Modern Black and Brushed Chrome Plant Stand**. This table's sleek, modern look comes from its gracefully curved metal posts with brushed chrome finish and elegant, break-resistant tempered glass top. The glass top has a wide beveled edge, and the base is shiny black poly. Assembly is easy, and detailed instructions are included.

Cotton Loft Cloud Stitch Comforter

- 100% cotton all-white fabric
- 100% lofted cotton fill
- Whimsical cloud stitch patterns
- Machine wash cold, tumble dry low. Do not bleach.
- Available in your choice of sizes

Once you've slept under the **Cotton Loft Cloud Stitch Comforter**, you won't want to sleep under anything else. Covered in soft 100% cotton, this comforter has a lofted cotton fill that provides the same amount of warming as a down-filled comforter, but without the overheating effect down can cause. It's also hypo-allergenic, eco-friendly, and easy to care for. The unique cloud-shaped quilting pattern is fun and a little whimsical, and the quilting process prevents shifting, clumping, and hollow spots in your comforter. You can machine wash your comforter in cold water on the gentle cycle and tumble dry it on low heat; don't bleach.

Ju Ju Be Legacy Behave Diaper Bag - Black/Hot Pink

- Black Earth leather exterior; hot pink lining
- Zip closure; metal hardware
- Large front pocket holds wallet and other items
- End pocket for bottle or bottled water
- 15L x 5W x 12H inches

The Ju Ju Be Legacy Behave Diaper Bag - Black/Hot Pink

is not your mother's diaper bag. With its animal-free, eco-friendly Earth Leather construction and tons of pockets, it will carry all your gear in style. It's got two external end pockets -- one for a baby bottle or bottled water, and one for your sunglasses.

The pocket for your sunglasses has embroidered stars above it, so you can quickly see which end is which. The spacious interior of this diaper bag has a middle divider pocket with a zip closure, perfect for diapers or wipes. Plenty of interior storage pockets give you lots of room for all your essentials, and a scrunchy key fob keeps your keys easy to find and grab. The messenger strap runs all the way under the bag, and retainer straps on the bag's bottom keep it in place. Handles on the sides of the bag give you another carrying option; carry it over the shoulder or messenger-style. The Behave is machine washable, making it convenient and easy to care for.

Minnetonka Aussie Ruff Leather Hat - Brown

- Leather construction
- Steel wire in brim allows for custom shaping
- Side snap allows left side to be worn up or down
- Choice of sizes to fit men and women
- Chin strap for secure fit in all conditions

Made from leather, with a leather band, the **Minnetonka Aussie Ruff Leather Hat - Brown** is made to fit a hard-working lifestyle. It has a side snap, allowing you to wear the left side up when you're packed three to a pickup cab, or down to keep the rain off your ears. The chin strap keeps your hat secured when the wind's blowing or your horse decides to kick up, and a steel wire around the edge of the band allows you to personalize your hat's shape. It's available in sizes to fit both busy cowboys and cowgirls.
